Hello Mary,

My completed evaluation spreadsheet of the ten candidates is attached. Please let me know if you'd like any other information or specifics from me before the Friday call.

Joyce

Dear Panel Members,

We received 23 applications for the ScIO position. I performed the initial screening and determined that 10 should be passed on to the panel evaluation phase. For transparency, I am attaching the screening spreadsheet. The pool of candidates was relatively small. If the applicant's experience was unclear, the candidates were given the benefit of the doubt and are provided for your evaluation.

You have all accepted the invitation to participate in a panel call on July 19th. Th 19th is a Friday, so please let me know if you are unable to attend ASAP. In preparation for the panel call, the following information is provided:

- The list of all applicants showing the screening that was performed and which applicants were passed to the evaluation phase for your consideration;
- An evaluation spreadsheet for your use in evaluating the applicants that were passed; and

- The resumes of all the applicants listed on the evaluation spreadsheet (resumes 1-4 of 10 are attached to this email).

If possible, please provide your evaluation of the ten candidates by COB Wednesday, July 17th. We will consolidate all the scores onto one spreadsheet and distribute it before our call on July 19th. The goal for the call will be to discuss the candidates and determine whether there is a consensus on 3-5 top candidates that will be asked to come in for interviews.

Please let me know if you have any questions, concerns or comments on the process or what has been done so far.

And, thanks so much for your continuing help to fill this position.

Mary Greene, PhD
